The creators of last season's *Rock the Canyon* have gone country! There's a saying in Nashville, "it all begins with a song"... but how did Nashville become the uncontested home of Country music? Was it the infamous Grand ol' Opry, was it the boot-scootin' music, or was it the artists who came to play, and never left? Nashville: Music City shines a neon light on the artists and songs that gave the city its nickname. With just a suitcase, those infamous three chords and the truth, superstars like Dolly Parton, Willie Nelson, Johnny Cash, Shania Twain, Garth Brooks, Keith Urban and (yes, even) Taylor Swift all hit that honky-tonk highway of country music dreams, and look where it led them. Join us for an unbelievable evening of country stardom, celebrating the music we love and the iconic artists who created it.
